><p><em>Kagome<em>, Inuyasha thought as he saw the beautiful woman laying naked below him. She smiled up at him and his heart started beating faster. \_Kagome.\_

Inuyasha slowly drank in the beautiful features of the woman's body. He looked at her beautiful oval shaped face. Pale skin, beautiful big chocolate brown eyes, and full shaped mouth. Inuyasha licked his lips, and his gaze traveled to her creamy smooth white neck. He sucked in a litter of air as his eyes saw the woman's breast. A size c-cup, and two erected nipples. Inuyasha felt himself get excited just by looking at the beautiful woman's breast. The woman bellow started to squirm, wanting Inuyasha to make his next move on her. Inuyasha grinned, knowing what she wanted. He brought his mouth closer \_to\_ the woman's left breast and slowly he wrapped his mouth around the erected nipple. The woman below him gave a small moan as Inuyasha swirled his tounge around her nipple. The woman arched her body, inserting more of her breast on Inuyashas mouth. Inuyasha let out a pleasurable groan, his cock was throbbing with anticipation, wanting to be soon inside the woman's tight warmth. But not right

now, not yet.

His mouth left the woman's left breast, and soon met the right erected nipple. He gave the right nipple the same treatment he gave to the left one. The woman moaned louder as she felt Inuyasha suck her nipple. Inuyasha soon left the right nipple, and kissed the woman on her full lips. \_Kagome.\_

The woman brought her hands up to Inuyasha's head, and she pulled him closer to her, deepening the kiss making it more passionately. Inuyasha ended the kiss, and he \_continued\_ to observe the rest of the woman's body. His gaze traveled to the woman's nice curvy curves, they were the right size, not that wide but not that small. His eyes landed on her dark patch of sex. He swallowed hard, his dick was growing thicker and hard, he so badly wanted to be inside her, badly. Instead he came up with an idea.\_ I'll just eat her up.\_

He opened her legs and brought his head closer to her sex. He inhaled deeply at her sweet arousal scent, and was about to collapse. \_Such a sweet smell, it's driving me crazy, I can't hold myself any longer.\_ He inserted his tongue inside her wet opening and the woman gave out a small gasp. Inuyasha soon started licking up and down the woman's slit.

"Inuyasha! Ohhhh so goood!" \_Kagome\_. Inuyasha thought. \_Kagome\_. His tongue started playing with the woman's clit, sucking and nibbling it.

"Ohhhhhh! Yes! Yes!" Inuyasha inserted two of his fingers inside the woman's entrance and started to pump them, while at the same time licking her throbbing clit. His fingers soon started to pump faster inside her, while the woman rocked her body at the same rhythm as Inuyasha's finger.

"INUYASHA! I'm cu...cumm-" Inuyasha felt the woman's warm walls tightening around his finger, Inuyasha knew she was about to climax. But he wanted to be inside her before she did. He took out his fingers and positioned his cock at her entrance. \_Finally\_. He thought. He lifted her left leg and positioned it at his shoulder, and soon he was inside her. \_Kagome you're so tight and wet. \_The woman below him moaned louder.

"Inuyasha!" The woman was breathing hard and fast, thick sweat was building on her forehead as Inuyasha was fucking her. Inuyasha's breath was also fast as he was fucking her. Inuyasha could hear his heart exploding inside of him, he could feel his dick wanting to release his seed deep within her body. His thrusts were fast and hard, sweat began to build on his own forehead. The woman's walls tighten around his dick, wanting a release. He himself wanted to release. The pleasure was getting higher and higher, and so was the temperature. Soon Inuyasha climaxed with a loud groan of pleasure, \_Kagome I love you\_. And the woman followed next.

"INUYASHA!" This sound was an excited scream, a pleasurable one.

"Inuyasha." And this one was a soft sad one.

\_Oh oh\_. Inuyasha thought. He knew that voice so well. It broke his heart when he heard that it was in a sad tone. It was his wife's

voice.

He slowly lifted himself up from bed and looked over at her crying wife.

"Kagome." He whispered. Kagome's eyes were red and swollen. Crystal tears were running down her cheeks, and her breath was shallow. She was leaning against the wall for support, her hands were gripily grasping her heart as she cried.

"Inuyasha what's happening?" Kikyou asked, but Inuyasha kept staring at Kagome.

"Ka-Kagome. I can expla-"

"SHUT UP!" Kagome screamed as she covered her ears with her hand, tears still running down her face. "I hate you! Hate you." Inuyasha stood up from bed and he slipped in a new short, then he started walking towards Kagome. Kagome seeing this backed out of the wall and exited the room. But Inuyasha followed her. Kagome was down the stairs when Inuyasha reached her and grabbed her wrist.

"Kagome listen." Inuyasha started while spinning Kagome so she can see his eyes. Kagome's tears wouldn't stop. "I LOVE YOU. Only you. You have to believe me." Kagome shook her head, her black hair flying everywhere. Inuyasha hugged her closer breathing in her scent as she relaxed. Her breathing soon was even, and she relaxed.

Kagome looked up at Inuyasha, and he looked down at her.

"Inuyasha?"

"Yes Kagome." Kagome brought her knees up, and hit Inuyasha hard in his cock. Inuyasha felt the pain shoot all over his body, as he collapsed on the floor while holding his part.

"I hate you! I don't ever want to see you again! And you know what else? I am going to divorce you. And this time I'm not lying. Goodbye Inuyasha! And you can keep the house!" Kagome exited the house, and Inuyasha couldn't stop her from doing it.

"Kagome might have left you, but I'm still hear." Inuyasha looked up at Kikyou to see that she was fully dressed. She exited the house with a small bye, and Inuyasha was all alone.
